Rutamova Nozima Yuldasaliyevna

Annotation: This in the article in our country youth fold legal consciousness and literacy , youth constitution norms and the rules where at the level knowledge and him/her to life done increase potential about word goes .

Keywords: Youth, constitution, legal consciousness, citizen, referendum, youth politics, law, crime, law norms.

High legal mind and culture society development basis organization does . So education upbringing modernization and him/her world templates at the level organization in doing legal Education is also separate. importance profession will reach .

In our country intensity with developing and unexpected processes and changes event is giving . Every one himself any of the country considered a citizen person state and society in life event giving events , state authority or his/her management regarding event giving from the reforms , this reforms social in the field whether it is economic , political or law and order in the field news to be condition and this time is a requirement .

Democratic legal state free citizenship society develop and new Uzbekistan developed countries from the line worthy place to occupy achieve such as great goals in front of of the youth legal literacy and legal culture develop of the state society in front of the most current and primary Youth legal culture promotion the most first of all in them to the laws respect to form , to own right and duties complete realizing reach and to them compliance to grow , youth between in relationships to indifference road not to let go , young people between , in particular , students youth between of crime prevent to take and one row of problems practical solution as service does . Current as of January 1 of the year according to in our country, between the ages of 14 and 30 total permanent population number 9 million 685 thousand 564 people organization is doing .

2022-2023 academic year in our country per year acceptance started at the time students general number 1040 400 people arrived . Universities number and 191 organization is doing . 52 percent of students young men , 48 percent wife They are girls . Statistics information Uzbekistan population most part youth organization to reach showing . Student youth and state and society in life his/her own inseparable and noticeable instead of has that into account can if we are this of the layer legal and political consciousness important event is considered . So that's it students legal consciousness same at the moment how in the situation ? Legal mind this only country laws to know and them respect from doing consists of Not . Legal mind this own right rights to know with together own duty and obligations good understanding and them conscious accordingly done increase means . Student youth between especially not only own of the right trample to be , maybe own Even the contemporary's was to the rights indifferent b

in immortality manifestation to be must . Every one citizen's right and freedoms When it comes to , first of all The main document of our country is the Constitution. reflection reached and strengthened right and to freedoms stop is justified . Section 2 of our Constitution states : " Human and citizens main SCIENTIFIC-PRACTICAL CONFERENCE OF YOUNG SCIENTISTS in-academy.uz/ index.php / yo 88 law and freedoms , called " duties " and then republic of citizens constitutional right and freedoms with together one row duty and obligations are also listed It's over . So that's it students of countries supreme for information has layer as in our constitution confession done norna and from the rules news to be with together him/her to practice implementation to be completed own task and supreme duty as view need . Indeed legal mind country the constitution from knowing begins . In our country close last in days state and citizens to life and to the future own the impact indicator important political event event gave .

April 30 , 2023 Uzbekistan Republic Constitutional Law nationwide to the referendum in the setting participated and own his voice They gave . Such political to events indifferent indivisible , country to the constitution being introduced from changes news to be in the referendum active participation to grow legal of culture formation obvious appearance Isn't it ?! All of us in the referendum participation with together to the referendum placed issues and to our legislation being introduced change and additions about for reference has Our death Constitutional law project with current 27 new articles to the Constitution substance introduced , substances The number increased from 127 to 155 . The Constitution The current norm of 275 has increased to 434 , i.e. from the referendum before in practice happened Our constitution has been updated by 65% . main from the news one Uzbekistan sovereign , social and legal state is strict by designating is being posted . Updated in the constitution poverty reduction , employment provide , unemployment reduce such as obligations also state own on behalf of received important importance has . Referendum himself/herself what said to the question answer as follows : Uzbekistan Republic Referendum Uzbekistan Republic laws and other decisions acceptance to do for the purposes of society and state of life the most important issues on the surface citizens nationwide voice is to give .
